

FIRST NATIONS
HEALTH CONSORTIUM

FNHC SPORTS & RECREATION PROGRAM INFORMATION

Pilot Project Eligibility:

- First Nations communities in Alberta
- Youth Leader Volunteer in community to lead activities
- Leadership Approval (Examples: Chief, Councillor, Education/Youth/Recreation Director)

Programs Available:

- NHL Street Hockey
- Egg Farmers Rocks & Rings Floor Curling

Equipment Support:

- The First Nations Health Consortium will work with each Nation interested in implementing this pilot project in their community and **we will cover the cost of the equipment** that will be used by your community members.

How to implement in your community:

- Step 1:
 - You will need someone willing to take on the role of "Youth Leader Volunteer" in your community.
 - You will need **support from your leadership** to ensure this project is fully implemented and overseen.
- Step 2:
 - Fill in the [program agreement form](#) and email it to sportsandrecreation@abfnhc.com
- Step 3:
 - Our **FNHC Sports and Recreation Coordinator** will reach out to coordinate with you regarding equipment, training, program outlines and expectations.
- Step 4:
 - To ensure the project is successful, we will need to have **regular check-ins and photo updates from the Youth Leader Volunteer** from your Nation to the FNHC Sport and Recreation Coordinator.
